[About SPIRAL](#)

[SPIRAL Brochures and Fliers](#)

SPIRAL began as a joint initiative of the South Cove Community Health Center and Tufts University Hirsh Health Sciences Library. SPIRAL is supported by a grant from the New England Region of the National Network of Libraries of Medicine under contract NLM-00-101/SMS. ©2009

SPIRAL provides access to consumer health information in the following Asian languages: Chinese, Hmong, Khmer, Korean, Laotian, Thai, and Vietnamese.

[Cambodian Khmer](#)

[Chinese 简体中文/繁體中文](#)

[Hmong Hmoob](#)

[Japanese 日本語](#)

[Korean 한국어](#)

[Laotian Lao](#)

[Thai ภาษาไทย](#)

[Vietnamese Tiếng Việt](#)

It also contains links to a variety of resources for health care providers on the Web.

Information for Healthcare Providers

[24 Languages Project: Health Education Brochures in Multiple Languages](#)

(University of Utah/ Utah Department of Health)

Provides health education brochures in 24 different languages, including: Chinese, Cambodian, Hmong, Korean, Laotian, Thai and Vietnamese.

[Asian American Health](#)

(National Library of Medicine)

Sponsored by the National Library of Medicine, this web site is designed to increase public awareness of Asian American health concerns. Links

[Asian and Pacific Islander Cancer Education Materials Tool](#)

(American Cancer Society/Asian American Network for Cancer Awareness, Research, and Training)

Provides links to participating Web sites that have Asian or Pacific Islander education materials on their Web sites. The materials referenced here have been screened by the participating Web sites for medical accuracy and cultural relevance. Those agencies remain solely responsible for the content of their material.

[Clinical Practice Guidelines](#)

(U.S. Agency for Healthcare Research & Quality)

Consists of a series of 19 Clinical Practice Guidelines. Each guideline has several versions as listed: Clinical Practice Guidelines: Quick Reference Guides for Clinicians and Consumer Versions

SPIRAL is a joint initiative of the South Cove Community Health Center and Tufts University Hirsh Health Sciences Library.
