[About SPIRAL](#)

[SPIRAL Brochures and Fliers](#)

SPIRAL is a health information web site for people who speak Chinese, Hmong, Khmer, Korean, Laotian, Thai, or Vietnamese.

Patient Information by Topic

SPIRAL provides access to the following patient information documents created by non-profit health agencies and organizations. For information on how information is selected for inclusion, please see the [SPIRAL Selection Criteria](#). All documents are intended for public use and may be distributed for not-for-profit purposes.

The information provided does not imply medical recommendation or endorsement. The information provided should not be used as a substitute for consultation with a health care provider. All medical information needs to be carefully reviewed with your health care professional.

SPIRAL began as a joint initiative of the South Cove Community Health Center and the Tufts University Hirsh Health Sciences Library. SPIRAL is maintained by the Tufts University Hirsh Health Sciences Library and is supported by a grant from the New England Region of the National Network of Libraries of Medicine under contract NLM-00-101/SMS.
